

## **TOHSS Grant Program**

**TOHSS grantees** ... “take the funds we have awarded them and to be successful in the development of programs that not only serve their state but will and should identify elements of such a program that can be shared and duplicated to grow the success elsewhere...”

**TOHSS Project Officer**

## **ASTDD Best Practices Project**

- Support TOHSS grantees to develop successful strategies & best practices
- Provide TOHSS grantees with useful building blocks (now & next 4 years)
- Work with TOHSS grantees individually & collectively to use their successes/lessons as new building blocks for other states

## **Association of State & Territorial Dental Directors**

### **ASTDD Members:**

Chief dental public health officers  
(health department & ministry of health)

### **ASTDD Associate Members:**

Health professionals employed or  
interested in dental public health  
(public agency, voluntary organization & tribal entity)

## **Why best practices?**

- **Common goals**
  - TOHSS program areas
  - Grow successful strategies
- **HRSA cooperative agreement**
  - Work together & complement efforts
- **Synergy**
  - Do something special together

## **ASTDD Best Practices Project Three Presentations**

- How can the BP Project support the TOHSS grantees?
- What can the BP Project provide the grantees now ... and offer later?
- How can the BP Project respond to your needs?

## **ASTDD Best Practices Project Three Speakers**

- **Julie Tang, DMD, MPH**  
Highlight synergy / background on BP Project  
Help define success
- **Jay Balzer, DDS, MPH**  
BP building blocks for 1 TOHSS Program Area:  
- CSCHN
- **Lynn Mouden, DDS, MPH**  
BP building blocks for 2 TOHSS Program Areas:  
- Age 1 dental visits & restorative care
