

National Maternal and Child Oral Health Resource Center

Georgetown University
Washington, DC

This presentation will provide you with an overview of the services of the National Maternal and Child Oral Health Resource Center.

Funding and Purpose

- Funded by the Maternal and Child Health Bureau since 1996
- Address current and emerging public oral health issues
- Collect, review, develop, and share information and materials
- Located at Georgetown University

The resource center is supported by the Health Resources and Services Administration's Maternal and Child Health Bureau and located at Georgetown University in Washington, DC. The purpose of the resource center is to help individuals working in states and communities address current and emerging public oral health issues. To respond to this need, the resource center gathers, reviews, develops, and shares high-quality information and materials.

Publication Topics and Formats

- Children with special health care needs, school health, early childhood caries, dental sealants, maternal health, and more
- Brochures, curricula and manuals, fact and tip sheets, guidelines, and more

In addition to the materials highlighted, the resource center produces brochures, newsletters, and distance-learning curricula. Most materials are free, and you can request single or multiple copies. Permission is given to photocopy the documents.

Web Site

Access to

- OHRC-produced publications and online order form
- Materials in library
- Information about MCHB-funded programs
- Electronic lists and newsletters

The sidebar menu contains the following items from top to bottom: A - Z List, Publications, Library, MCHB-Funded Projects, Head Start, Bright Futures Toolbox, Electronic Lists and Newsletters, and Links. The menu is set against a light green background with a faint circular graphic.

The Web site is our primary method of information dissemination.

The image shows a screenshot of the website www.mchoralhealth.org. A yellow arrow points to the URL. The website header includes the logo for the National Maternal and Child Oral Health Resource Center, the text "National Maternal and Child Oral Health Resource Center", and navigation links: "Home", "About Us", "FAQs", "Contact", and "Search". Below the header is the tagline "Helping states and communities address public oral health issues" and an "A-Z List" of letters. The main content area is divided into several sections: "OHRC" with a list of items including "Oral Health for Children with Special Health Care Needs: Priorities for Action—Recommendations from an MCHB Expert Meeting" (with sub-items "Report" and "Presentation"), "Library" with "ASTDO Support For State CSHCN Oral Health Forums, Action Plans And Follow-Up Activities: Interim Evaluation Summary, March 2009", "Visit the Spotlight Archive", and "Questions or comments? Let us know."; "OHRC Announcements" with a sign-up link; and "Partner Projects" which includes "American Association for Community Dental Programs", "MSDA MEDICAID / SCHIP DENTAL ASSOCIATION", "Mobile-Portable Dental Clinic Manual", "Ohio Dental Safety Net Information Center", and "Safety Net Dental Clinic Manual". A sidebar on the left contains links for "A-Z List", "Publication", "Library", "MCHB-Funded Projects", "Head Start", "Bright Futures Toolbox", "Electronic Lists and Newsletters", and "Links".

The A-Z list helps you browse all the different types of information we offer, from our address to custom bibliographies. We provide cross-referenced terms, so when you look for topics in your own words, you can learn what terms we use. For example, if you look for “baby bottle tooth decay,” we’ll refer you to “early childhood caries.” We are always adding terms to our list. If you would like to suggest a term that is missing, please contact us.
